RE: Statement of Work for the UConn Foundation for Fiscal Year 2025

RECOMMENDATION:

The University recommends that the Board of Trustees approve the resolution below authorizing the University to enter into a Statement of Work (SOW) for Fiscal Year 2025 with The University of Connecticut Foundation, Incorporated (the “UConn Foundation”).

RESOLUTION:

RESOLVED, that the University's President and Chief Financial Officer are authorized to execute and deliver a SOW for Fiscal Year 2025 with the UConn Foundation at a cost of \$16,000,000 on the terms described below and such other terms as may be deemed advisable and in the best interest of the University by the University's President and Chief Financial Officer with notice to the Institutional Advancement Committee of the Board of Trustees; and

RESOLVED, that the University's President and Chief Financial Officer are hereby further authorized to execute, deliver and perform, in the name of and on behalf of the University, such certificates, instruments, documents and agreements as each of them may deem necessary, useful or required in furtherance of the foregoing resolution.

BACKGROUND:

The University has entered into a Master Agreement with the UConn Foundation in satisfaction of the requirements of Connecticut General Statutes § 4-37f(9). This agreement details the University's relationship with the UConn Foundation and sets forth the UConn Foundation's responsibilities for performing development, investment and other services in support of the University. The UConn Foundation is a private organization, exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, that operates exclusively to promote the educational, research, cultural, clinical, recreational, and outreach objectives of the University.

The Master Agreement requires, among other things, that the University enter into a SOW with the UConn Foundation outlining specific goals and objectives and the financial consideration to be provided by the University. The current SOW expires on June 30, 2024.

The proposed SOW with the UConn Foundation sets forth the fundraising, investment management, alumni relations activities and other related goals and objectives for Fiscal Year 2025. The goals and objectives established for next year include the following:

- A fundraising goal of \$135 million in new gifts and commitments for the University (including support for UConn Health).
- Aligning gift opportunities with specific goals and initiatives in the University's 2024 Strategic Plan.
- Fostering relationships and philanthropy from alumni, donors, families, and friends from a diverse spectrum of backgrounds, identities, ethnicities, races, perspectives, and abilities who reflect the whole of our state, country, and global society and share the Foundation and University's values and goals to support a thriving and inclusive community.
- Increasing scholarships and need-based financial aid for University students;
- Re-deploying five (5) full-time Foundation positions (existing as of the date of this SOW) from non-fundraising to fundraising roles.
- Targeting cash available to or for the benefit of the University each fiscal year in an amount totaling not less than Seven (7) times the amount of the Annual Service Fee paid during the preceding fiscal year.

The UConn Foundation will also pursue the following fundraising goals which it aspires to achieve by the conclusion of the next comprehensive Campaign, which will launch publicly no later than Fall 2025:

- Increasing the average annual total of New Gifts & Commitments raised per Foundation fundraising full-time employee ("FTE") to \$2.7M.
- Tracking and increasing the total number of donor qualifications conducted per Foundation fundraiser over the prior fiscal year by 10%.
- Increasing the total number of solicitations of New Gifts & Commitments at the One Million Dollar (\$1,000,000) or higher level over the prior fiscal year by 15%.
- Increasing the percentage of New Gifts & Commitment solicitations directed to the endowment and/or to the UCONN 2000 infrastructure projects to 30% of all solicitations.

In consideration for the UConn Foundation's performance of these services during the next fiscal year, the University has agreed to pay the UConn Foundation a total of \$16,000,000 which is inclusive of a minimum amount of \$2,835,000 to be devoted specifically to alumni relations activities and services, and \$2,500,000 for Campaign support.

Statement of Work FY25

This Statement of Work FY25 (this “SOW”), effective the 1st day of July, 2024, is made between THE UNIVERSITY OF CONNECTICUT (“University” or “UConn”), Connecticut’s land grant university, whose statutory authority is set forth in Chapter 185b of the Connecticut General Statutes, and THE UNIVERSITY OF CONNECTICUT FOUNDATION, INCORPORATED (“Foundation”), a Connecticut nonstock corporation that is exempt from taxation under 501(c)(3) of the Internal Revenue Code of 1986, as amended.

The University and the Foundation have entered into a Second Amended and Restated Master Agreement dated July 1, 2020 (the “Agreement”) under which the Foundation has responsibility for fundraising efforts for the benefit of the University, management of endowment and other funds designated to benefit the University and for performing alumni relations activities in support of the University.

The Agreement stipulates that the University and Foundation will from time to time, but in no event less frequently than once every five (5) years, enter statements of work which outline the specific fundraising, investment management and alumni relations activities goals and objectives that the University and Foundation have agreed upon and the consideration to be provided to the Foundation each fiscal year (July 1st through June 30th) (“Fiscal Year”). This SOW covers the period from July 1, 2024 through June 30, 2025 (“Period”).

1. Payments

The University agreed to provide certain in-kind consideration to the Foundation for its services under the terms of the Agreement. In addition to agreeing to provide such in-kind consideration, the University further agrees to provide the following consideration to the Foundation for the Period:

- a) **Annual Service Fee:** The University will pay a guaranteed annual amount to the Foundation of Thirteen Million Five Hundred Thousand Dollars (\$13,500,000) during the Period for development and alumni activities and related services, which amounts will be paid quarterly in advance in equal installments. Of this total amount, the University and the Foundation agree that during the Period a minimum amount of Two Million Eight Hundred Thirty-five Thousand Dollars (\$2,835,000) will be devoted specifically to alumni relations activities and services.
- b) **Campaign Support:** The University will pay an additional guaranteed amount during the Period to the Foundation of Two Million Five Hundred Dollars (\$2,500,000) to support expenses related to launching and executing a comprehensive fundraising Campaign (defined below), which amount will be paid quarterly in advance in equal installments. The Foundation will provide a report of campaign expenses.
- c) **Other Fees:** The University agrees that Foundation operations will also be funded during the Period by an advancement fee on endowment funds (“Advancement Fee”), a

Gift Fee on non-endowed contributions (“Gift Fee”), and retention of earnings on non-endowed Foundation assets.

- 1) The Foundation will assess and retain an Advancement Fee, as reasonably determined by the Foundation, on all endowment assets (University and Foundation assets) invested by the Foundation. The Foundation’s Advancement Fee is calculated annually on a quarterly basis (“Calculation Date”) and presently equals one and three-quarter percent (1.75%) of the rolling prior twelve (12) quarter average unitized market value of the long-term pooled investment portfolio multiplied by the number of units held by each endowed fund. The Advancement Fee owing to the Foundation will be transferred to Foundation operating funds in four equal installments as of the first day of each quarter following the Calculation Date (April 1st, July 1st, October 1st, and January 1st) or as soon as practicable thereafter.
- 2) The Foundation will assess and retain Gift Fees on all non-endowed gifts deposited in the Foundation, as reasonably determined by the Foundation. The Foundation’s Gift Fee for non-endowed gifts is presently five percent (5%) of the value of the gift as of the date of receipt. Twenty-five percent (25%) of any non-endowed gift fee (or 1.25%) may be transferred to unrestricted Foundation accounts supporting the school, college or unit supported by the fund to which the original gift was designated. The remaining seventy-five percent (75%) of any non-endowed Gift Fees (3.75%) is retained by the Foundation to support its operations.
- 3) The Foundation will retain all investment earnings on non-endowed Foundation assets.
- d) **Fee Modifications and Waivers:** The Foundation, from time to time, may change its Advancement Fee and Gift Fee policies and will notify the University, in writing, of any changes made during the Period. The Foundation will also provide written notice to the University of any Advancement or Gift Fee reduction or waiver that is approved during the Period in accordance with its policies for any gift accepted in an amount greater than or equal to Ten Million Dollars (\$10,000,000). Any such modification or waiver will be reported to the Institutional Advancement Committee of the Board of Trustees.

2. Foundation Mission

The Foundation is an independent, not-for-profit, tax-exempt organization operating exclusively to promote the educational, scientific, cultural, clinical, research, outreach and recreational objectives of the University of Connecticut (inclusive of the University’s Health Center “UConn Health”). This is accomplished by providing quality programs and services for its diverse alumni and supporters, and by serving as the primary fundraising vehicle for the University. The Foundation solicits, administers, and invests private philanthropic funds for the sole benefit of the University and its mission of pursuing excellence in teaching, research, and public service.

3. Fundraising and Alumni Engagement Goals

In consideration of the compensation provided to Foundation by the University under the terms of the Agreement and this SOW, the Foundation, consistent with its mission, agrees as follows:

- a) **Fundraising:** The Foundation will endeavor during the Period to increase total private philanthropic support by (i) raising One Hundred and Thirty-Five Million Dollars (\$135,000,000) in new gifts and commitments (to be calculated in accordance with the Foundation's reasonably established gift counting policy, as amended from time to time) ("New Gifts & Commitments"), inclusive of:
 - 1) Eleven Million Five Hundred Thousand Dollars (\$11,500,000) to support the construction and renovation (or operating expenses associated with the departments or programs housed in) of the following UCONN 2000 infrastructure projects: new Life Sciences Building, Edward V. Gant Science Complex, Harry A. Gampel Pavilion, Hugh S. Greer Field House, volleyball center, boathouse, or tennis courts;
 - 2) Funds for University priorities inclusive of the Hartford and other regional campuses to support increased student demand including but not limited to scholarships; and
 - 3) Continue to pursue at least One Billion Dollars (\$1,000,000,000) in total endowment assets by June 30, 2031, the anticipated end of the next comprehensive fundraising campaign for the University (inclusive of support for UConn Health ("Campaign").

The parties acknowledge and understand that achieving the fundraising goals may be negatively impacted by global financial markets and geopolitical events.

- b) The Foundation will focus its efforts on the following objectives during the Period of this SOW:
 - 1) Increasing the three-year trailing average annual total New Gifts & Commitments over the current three-year trailing average through, without limitation, realigning programs; aligning resources with opportunity; setting growth targets for schools, colleges, and units; raising individual performance expectations for fundraisers; redeploying employees; creating efficiencies of scale and shared services; and increasing sponsorships for Foundation-funded University events.
 - 2) Increasing total University and Foundation endowment assets.

 - iv. “Community and Service Engagement” by pursuing support through engagement with industry and individuals in support of all campuses of the State of Connecticut's flagship land and sea-grant university.
- 4) Creating a high-performing operational institutionally related foundation by pursuing activities such as, without limitation, sharing services with the University, reducing non-essential and non-revenue expenditures, increasing revenue through sponsorship of Foundation events, and redirecting operational budgets to frontline, mission-specific activity as determined by Foundation management in its discretion.
 - 5) As appropriate, aligning Foundation priorities and demonstrating values and objectives consistent with the strategic direction set by the University in areas such as, without limitation, health, sustainability, diversity and inclusivity.
 - 6) Fostering relationships and philanthropy from alumni, donors, families, and friends from a diverse spectrum of backgrounds, identities, ethnicities, races, perspectives, and abilities who reflect the whole of our state, country, and global society and share the Foundation and University's values and goals to support a thriving and inclusive community.
- c) **Alumni Engagement:** The Foundation will endeavor during the Period to create a meaningful alumni experience for University alumni as measured by aspirational peers with a goal of increasing connectivity among alumni as well as current students. The Foundation will provide budget support for such programs throughout the Period commensurate with the amount of the Annual Service Fee designated to the Foundation’s alumni relations responsibilities.

The Foundation will focus on the following alumni engagement objectives during the Period of this SOW:

- 1) Consistently growing the number of alumni and constituents who engage with the University from diverse cultures, identities, experiences and abilities. Utilizing comprehensive alumni data to launch appropriate engagement event strategies with a goal of actively engaging constituents through: Athletic, networking, and academic events in Storrs, Hartford, Waterbury, Stamford, Avery Point and key constituent

markets across the country; Participatory giving; Student mentorship, internship creation, and career development; Event sponsorship; Guest lectures; and other measurable engagement measures on our campus and in key markets.

 - 3) Developing programs for University students to educate them on how to engage as active alumni through programming, volunteering, and giving.
 - 4) Aligning alumni activities and event messaging with the University's stated 2024 Strategic Plan goals and initiatives (as described above) and the Campaign (i.e., executing outreach and engagement programs that promote the value of philanthropy, constituent giving, and pipeline development).
- d) **Key Performance Indicators**: The Foundation will provide a progress report to the University, on or about August 1, 2025, outlining progress against the following key performance indicators which it aspires to achieve by the conclusion of the Campaign ("KPI"):
- 1) Launching the Campaign publicly no later than Fall 2025.

 - 7) Re-deploying five (5) full-time Foundation positions (existing as of the date of this SOW) from non-fundraising to fundraising roles.
 - 8) Targeting the amount of cash made available to the University each Fiscal Year to an amount totaling not less than Seven (7) times the amount of the Annual Service Fee paid during the preceding Fiscal Year.

4. Investment Benchmarks

The Foundation in its discretion will establish appropriate investment benchmarks for assets invested for the benefit of the University, both those owned by the Foundation and those owned by the University. The Foundation will provide to the University's President and

Executive Vice President for Finance and Chief Financial Officer a summary report of its investment risk and return benchmarks during the Period. The Foundation will use reasonable efforts to maintain the following benchmarks during the Period:

- a) The target net return on Foundation investments will be five and three-quarter percent (5.75%), plus inflation as measured by an appropriate inflation index.
- b) Volatility is expected to be consistent with the risk associated with exceeding the return of the portfolio benchmarks noted above, calculated as the weighted average performance of the asset class benchmarks defined in the Foundation's Investment Policy Statement.
- c) Risk is expected to be measured by the annualized standard deviation of returns over a market cycle of seven to ten years.
